

Prince2

Foundation Certification

Practitioner Certification

Do you ever have to manage a project? Does the idea worry you? Do you want to work as a Project Manager? If you are a manager then you will find managing projects invariably forms part of your responsibilities. How therefore do you do it, and do it well? The solution is to learn how to apply PRINCE2 methodology, and to obtain PRINCE2 Certification, as it will help you in your day to day work and also improve your future career prospects.

Standing for Projects IN Controlled Environments, PRINCE2 is the world's most adopted project management framework. PRINCE2 is easy to learn, flexible enough to adapt to all types of project, and ensures that projects are delivered to the agreed quality and within budget and timescale.

Foundation Certification confirms that you have sufficient knowledge and understanding of the PRINCE2 method to be able to work effectively with a project management team within a PRINCE2 environment. Practitioner Certification confirms that you have sufficient understanding to apply and tailor PRINCE2 in a scenario situation. The course covers the following knowledge areas:

- History
- Principles
- Benefits
- Themes
- Processes
- Qualifications

How do I study and how long will it take?

Studying online is extremely flexible, as you can study at the time and place that best suits you, without the cost and hassle of getting to classes. The course is taught through recorded lectures, required reading and self-assessment exercises. Everything you need is provided online in the Teaching Zone on our website, so you won't ever miss anything, and you can repeat sections until you fully understand them. Plus you have a personal tutor you can contact if you have any questions (additional fee). All you need is Internet access through a PC, laptop, tablet or phone. The course provides 35 hours of tuition.

Foundation Certification Practitioner Certification

Entry requirements

Foundation Certification prerequisites

Open entry, although you ideally should have some management experience and a good standard of written English.

Practitioner Certification prerequisites

You must have Foundation Certification, Project Management Professional (PMP), Certified Associate in Project Management (CAPM) or IPMA Level A, B, C or D to be eligible to take Practitioner Certification.

How is it assessed?

Foundation Certification is assessed by a 75 question closed book one hour multiple-choice exam. Practitioner Certification is assessed by an 80 question open book (PRINCE2 manual) two and a half hour multiple-choice exam.

Why iQualify UK?

Six great reasons:

- high quality online courses from a trusted London based educational institution offering UK Government approved accredited qualifications
