

# Do you want to become a Chartered Manager?

iQualify UK provides professionals with the opportunity to enhance their career prospects by achieving the status of Chartered Manager.

Now you can become a Chartered Manager in 2 simple steps:

- 1 Complete Level 7 Diploma in Business Management awarded by Learning Resource Network (LRN)
- 2 Get the prestigious Chartered Manager status awarded by Chartered Management Institute (CMI)

The Chartered Manager status can also help you grow in various aspects of your career

It improves employability and makes you more distinguishable

It takes you to the next level of managerial profession

It recognises the level of ability and competency within an individual

## About the Chartered Management Institute:

Chartered Manager Status sets you apart from other professionals with a status that is reputable and respected. It is the most influential status for any professional manager.

The Institute has played a prominent role as the professional body for management for over 65 years, firstly as the British Institute of Management and then as the Institute of Management. The Royal Charter was granted by the Privy Council on 12 February 2002.

## For Chartered Manager status through iQualify UK:

- You must have passed the LRN Level 7 Diploma in Business Management.
- You must have a minimum of 3 years management experience.
